

2018 BUSVIC MEMBER BRANCH MEETINGS

The 2018 Member Branch Meetings will be held throughout late February and March.

These very important member meetings will include:

- An update on our contracting endeavours;
- Presentations and discussion on pertinent business and industry issues;
- Support from our dedicated industry Partners (please see the listing attached so that you can contact our Partners if you require their assistance or would like them to visit you while they are in your area);
- Our safe school bus travel education sessions, which, apart from tuition from school bus operators, is the only tuition junior and primary school students receive on school bus safety. This is vital training that ensures the right behaviours are instilled in our children at a very early age.
