

2019 DIVERSE LEARNERS CONFERENCE

TO REGISTER - www.illumelighting.com.au/events

ABOUT

The Diverse Learners Conference focuses on successful strategies to include and engage students with Down syndrome, intellectual disability, Autism Spectrum Disorder, chromosomal disorders and developmental delay.

The conference will showcase current research and innovative approaches that can be incorporated into any learning environment. An emphasis on practical activities and strategies will assist educators to ensure that students with diverse learning needs can engage purposefully in learning and experience academic success.

WHO SHOULD ATTEND

Education professionals including teachers and teacher aides, pre-service teachers, parents, therapists, support workers, and anyone committed to improving outcomes for students with disabilities.

Be inspired by dynamic and engaging presenters who are Australian leaders in the fields of disability and education.

"The most grounded, practical conference I have been to in 24 years of teaching.. unmissable if you work with students with disabilities"
