

TOMORROWBOUND

EXHIBITOR PROSPECTUS 2024

Tomorrow Bound is Central Victoria's largest education, employment and training expo. Providing secondary school students and the local community with the opportunity to discover the range of exciting courses, pathways and employment opportunities available throughout the City of Greater Bendigo and beyond.

Tomorrow Bound was developed after secondary schools and community members identified a gap in the market for a locally held event that provided Bendigo locals with the education and careers information needed to help shape their futures.

Whilst there are several large careers expos in Melbourne, there is a shortage of these in the Bendigo region. Tomorrow Bound will feature exhibitors from both education providers and local businesses.
